

We'll have to guesstimate. It is likely that we will receive some comments and questions from the Commissioners and a number of comments from the boards. We could do the modification a little later, but we have to do it before the end of August to take advantage of year-end funds. Basically, the sooner we can figure this out, the better chance we have of using some of the year-end money for this project, before it is taken for something else. We have no guaranties that funds will be available in the next fiscal year. --- Peggy

I don't have the authority to modify contracts, but Tom Wilkey does. In order to help Tom determine how many additional hours (and dollars) should be added to your personal services contracts, I'll need an estimate from the two of you for the number of additional hours required to complete the final report (taking into account revisions that may be needed to address questions and comments submitted by the Commissioners and the EAC Standards Board and Board of Advisors). Please note that we cannot add any tasks to the existing contract, but we can account for additional hours required to complete the final report.

It sounds similar to the issues I had with the Donsanto interview. It was a classic example of the interviewers' interpreting what was said through their own biases.

It also is true that the original interview summaries failed to differentiate between the criminal definition of intimidation and the consultants use of the term.. The consultants have revised their definition to note that it goes beyond the legal definition, but we may need to repeat the statement where the DOJ interviews are referenced.

I have already brought the Donsanto matter to our contractors' attention. When they responded that they did not think they should redraft that section, I told them that the section will likely be edited. It appears that we will have to do the same with the reference to Tanner's interview.

Why don't we discuss this with Tanner (and Donsanto) after we have had a chance to review a consolidated draft of the final report? We can determine what clarifications or corrections are necessary at that time.

I have not yet seen a draft final report. My best guess is that Tanner is concerned about the summary of his interview. I have already had discussions with our consultants about the description of the Donsanto interview, at which I was present. Wilkey knows that I won't let it go as is. I wasn't at the Tanner interview, but would be interested in hearing where he thinks the consultants went wrong.

It is possible that, due to my objections re the Donsanto interview, the consultants may have asked Tanner to review their description of his interview. I won't know for sure until I can contact them.

I gave you and Gavin a folder that included a summary of interviews, etc before the working group meeting. Also, the report delivered to the boards on this project is in the shared drawer under Research in Progress-Voting Fraud-Intimidation. That is everything I have at the moment.

Subject RE: Estimated Additional Hours Needed 

We'll have to guesstimate. It is likely that we will receive some comments and questions from the Commissioners and a number of comments from the boards. We could do the modification a little later, but we have to do it before the end of August to take advantage of year-end funds. Basically, the sooner we can figure this out, the better chance we have of using some of the year-end money for this project, before it is taken for something else. We have no guaranties that funds will be available in the next fiscal year. --- Peggy

Doesn't it really depend on what the Commission comes back to us with? Its kind of hard to estimate before knowing what they're going to want.

Tova and Job:

I don't have the authority to modify contracts, but Tom Wilkey does. In order to help Tom determine how many additional hours (and dollars) should be added to your personal services contracts, I'll need an estimate from the two of you for the number of additional hours required to complete the final report (taking into account revisions that may be needed to address questions and comments submitted by the Commissioners and the EAC Standards Board and Board of Advisors). Please note that we cannot add any tasks to the existing contract, but we can account for additional hours required to complete the final report.

I am available on 5/18. But I am also going to the Board of Advisors Meeting the following week. I would rather do this then.

Hi, Folks:

#### Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

#### Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

#### Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

001030

Mileage for Personally Owned Vehicle = \$ .445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

We have the same set-up here in Arkansas. We hired a person just like Perez. However, given this, I would still like to know if he has a party affiliation and this brings up another issue. How is the county election commission chosen. In Arkansas it is the

001034

Chairmen of the Republican and Democrat Parties or if he/she does not want to serve a person is elected in his/her stead and a third member picked by the party with the most constitutional officers. Practically that has meant that the Democrats have controlled election commissions in Arkansas since the end of Reconstruction. This is why I want to know the situation in Texas.

Diana:

The following members of the Working Group for our Voting Fraud/Voter Intimidation research project will need to make travel arrangements in order to attend an afternoon meeting of the group on May 18 in Washington, DC:

Mark "Thor" Hearne - St Louis, MO

J.R. Perez - Seguin, TX

The Honorable Todd Rokita - Indianapolis, IN

Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

Okay, Peg -- thank you. I will be there.

The non-election officials on the Working Group currently include:

- Barry Weinberg, whom you know
- Barbara Arnwine, Lawyers Committee for Civil Rights Under Law (organization associated with the Voting Rights Project and Election Protection)
- Bob Bauer, Perkins Coie, DC (Democrat attorney)
- Mark "Thor" Hearne, Lathrop & Gage, St Louis, MO (Republican attorney)

I am trying to recruit one other Republican attorney, Patrick Rogers, Modrall, Sperling, Roehl, Harris and Sisk, NM, who was recommended by our Republican consultant. He would replace an original member who is no longer available.

I know that Barbara has associated at conferences and in legislative efforts with Wade Henderson, Leadership Conference on Civil Rights. Also, the Lawyers Committee for Civil Rights is listed as one of many members of the Executive Committee for the Leadership Conference on Civil Rights (see [http://www.civilrights.org/about/lccr/executive\\_committee.html](http://www.civilrights.org/about/lccr/executive_committee.html)).

Does this information help? --- Peggy

Peggy -- they don't have anything to do with the Leadership Conference on Civil Rights do they?

I ask only because the Justice Department is currently engaged in a very acrimoneous FOIA litigation with LCCR that focuses precisely on our efforts to combat voter "intimidationm"

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

Okay, Peg - - I will mark off the entire afternoon and try to be there. What is the agenda? I was not aware that this was anything beyond having your contractors spend another session with me. Also, if they will be needing stats and stuff like that I need to know as I will bring my state-people with me.

I am looking at the afternoon of 5/18 for the meeting, due to scheduling conflicts of Working Group members. There remain two members from whom we have not yet received confirmations of their schedule (with some, it is like pulling teeth), but right now 5/18 still looks like the best day. We may have to hold the meeting over here to make it easier for Commissioners to drop in.

My problem is that agency staff is booked most of the week of 5/21. Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

The following members of the Working Group for our Voting Fraud/Voter Intimidation research project will need to make travel arrangements in order to attend an afternoon meeting of the group on May 18 in Washington, DC:

Mark "Thor" Hearne - St Louis, MO  
J.R. Perez - Seguin, TX  
The Honorable Todd Rokita - Indianapolis, IN  
Kathy Rogers - Atlanta, GA

I may have one additional member from Albuquerque, NM confirmed early next week.

May these people use Adventure Travel to make these arrangements in the same manner as the Asian Language Working Group? I understand the members of that group made hotel and flight arrangements through Adventure Travel and that these costs were billed directly to EAC. We did plan for EAC to pay for the travel of the Voting Fraud/Voter Intimidation Working Group (budgeted under Research). Devon will prepare their travel authorizations.

Subject Re: Working Group-Travel Costs

Peggy:

Please tell the folks there that I am not worried about a perceived breach of contract. This is a completely ridiculous statement considering the contractual requirement that the consultants convene the Working Group and not the Commission and it never specifies where or when this is to take place. All this to say that while the contract does specify a Working Group meeting it does not specify that it must

001048

take place on any particular date or in a particular city. With that said, I have never heard of any federal travel requirements that would result in a loss of money because I decided to drive and not fly. In fact, that is why there is a an amount paid per mile. So I would like to see the federal regulation that forces me to take the least expensive transport and restricts all other ground transport costs to that figure.

As to hotels, based on Tova's research there are no rooms for under the \$350 range per night. If you can find hotels that are less expensive but still carry the kind of bed I need for my back (either pillow top or a number bed) please do.

The issue of my uncle---today I have not had an update on his condition. But, as I previously stated, if he were to die or have an event while I was in DC, I would have to go to NYC meeting or no meeting.

Finally, neither Tova nor I have been satisfied about Mr. Perez and I have not been told whether Pat Rogers will be coming or one of Tova's people will not be.

In the end, I need to see the travel regulation that I requested above, I would like you to look into hotels for Tova and me that have the kind of bed I need and I would like to know about Perez and Rogers. In the mean time, I should have an update on my uncle by morning. I would also be happy to talk to Julie about the issues involved. I will take you up on your offer to process my travel expenses faster and I do not and never did expect you to get me a travel advance. I worked in international development and know what a headache those are to apply for on the state level.

At this point and unless my uncle dies before May 18, the only way I will go to DC is to drive my car. I will need it in case my uncle dies while I am there. You will need to get approval for the use of my car and the two days it will take me to get there and two days back.

The Commissioners made this an equal bi-partisan issue. I am seen as representing the Republican Party. I now have a responsibility to assure that this ends up bi-partisan. I have been placed in a position of dual obligations---both to the contract and to the Party. I in fact see myself as carrying out what the Commission wanted to the letter---equal bi-partisan representation.

My problem is that agency staff is booked most of the week of 5/21. Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

Say "Hi" to Cameron for me.

I am available on 5/18. But I am also going to the Board of Advisors Meeting the following week. I would rather do this then.

I will add "DRAFT" to the definition and, yes, the WG will have suggestions. I do plan to send packets to you and Tova containing the same materials being provided to the WG. I haven't sent anything yet because I was hoping to finalize the WG list for inclusion. (Still waiting for a response from Ginsberg.)

Regarding Tova's response, we may want to have a very short meeting after the WG disperses, followed by a teleconference the following Monday afternoon. Tuesday is bad for me because I'll be out of the office attending a series of EAC meetings that begin that day. --- Peggy

This is ok, given the fact that the WG may have suggestions. Will you be sending us the same packets that you are sending the WG? Also, I figure with Tova's response we will need to have a teleconference on the report once I return to Little Rock. We will need to do it that following Monday or Tuesday.

Hi, Folks:

#### Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

#### Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

#### Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

001062

Mileage for Personally Owned Vehicle = \$ .445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Peggy,

I spoke to the people who usually handle the EAC court reporting. They charge \$9.00 per page with an average of 40 pages per hour. This service would cost about \$1800.00.

The turn around time for the transcript is 10 to 15 days. The transcripts comes in a bound paper copy and an electronic copy.

I can also check around for different prices.

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

I am looking at the afternoon of 5/18 for the meeting, due to scheduling conflicts of Working Group members. There remain two members from whom we have not yet received confirmations of their schedule (with some, it is like pulling teeth), but right now 5/18 still looks like the best day. We may have to hold the meeting over here to make it easier for Commissioners to drop in.

My problem is that agency staff is booked most of the week of 5/21. Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

Say "Hi" to Cameron for me.

Hi Peg. I am sitting here with Cameron Quinn putting together this year's ballt conference for AUSAs. She send her best!

I am available on 5/18. But I am also going to the Board of Advisors Meeting the following week. I would rather do this then.

are a number of requirements in the Voting Rights Act. Not all of them are considered election fraud, when violated. For example, failure to preclear changes in election procedures is not treated as election fraud, though it is actionable. --- Peggy

Would you please take a look at the attached? I combined both of your definitions, reformatted the list, removed a reference to the fraud having to have an actual impact on the election results (because fraud can be prosecuted without proving that it actually changed the results of the election), and taken out a couple of vague examples (e.g.; reference to failing to enforce state laws --- because there may be legitimate reasons for not doing so).

I have made contact with Ben Ginsberg's office and am waiting to hear if he accepts our invitation to join the working group. --- Peggy

The draft voucher looks fine except for two things (one of them is our fault):

- (1) it appears that you worked 11 days, rather than 10, during the first two weeks; and
- (2) you need to put the total dollar amount owed you (\$9,102) somewhere on the form. (Last time you put it in the box with the total hours worked this period.)

Don't forget to sign and date the voucher. Thanks.

God willing, I will be here the first two weeks of May.

As for your second question, it is not possible for me to assess the level of public attribution that would be appropriate without seeing the substantive stuff in context. I do not foresee a problem. So, I recommend that you get me a draft text and I will review it to ensure we are not disclosing things we shouldn't disclose.

As a technical advisor on this project, your attendance is particularly important to me. Second, is it OK for our consultants to refer in their report to guidance provided in the DOJ training materials? I ask this because I understood that some materials in the materials are considered confidential and we do not want to violate your confidentiality provisions. If there is a compromise position, such as having you review that portion of the consultants' report, then let me know.

Donsanto lists four types of election fraud: schemes to purposely and corruptly register voters who either do not exist, or who are known by the putative defendant to be ineligible to vote under applicable state law; schemes to cast, record or fraudulently tabulate votes for voters who do not participate in the voting act at all; schemes to corrupt the voting act of voters who do participate in the voting act to a limited extent; and, schemes to knowingly prevent voters qualified voters from voting.

Subject Re: Conference Call 

Job:

I'm afraid I don't have time to look up the Federal travel regulation. I can refer to GSA Form 87, which is the Federal travel authorization form that is based on the travel regulations. There are two questions on this form that would apply to your situation:

- Question 14 asks, "Is the employee making any deviations from the authorized itinerary for personal convenience, taking any annual leave or using a different mode of transportation for personal convenience?"

001085

- Question 17A asks, " Will POV be used for any travel between itinerary points? (If 'Yes', check one box below and complete item 17B.)" This is followed by one check box with a statement, "Use of POV is advantageous to the government" and another check box that states, "Use of POV is not advantageous to the government. Use of POV has been determined to be for personal convenience and reimbursement limited to constructive cost of common carrier."

Line 17 B is used to note mileage rate. These provisions apply to our Commissioners, our staff, and our consultants. I understand that everyone has to make allowances for emergencies, but your emergency has not yet arrived, and may well arrive after the May 18 meeting. Furthermore, personal emergencies are considered personal matters. The government does not reimburse us for additional travel costs resulting from our need to address personal matters.

Because you are not a Federal employee and we recognize that airlines do not and hotels may not offer you government rate, we can reimburse the higher hotel rate so long as your total travel costs under the current contract do not exceed the total amount budgeted for travel reimbursement for this contract (\$3,500).

Regarding the Working Group meeting, I am pleased that you recognize that convening the Working Group is a deliverable. You also should recall that the only reason Commission staff is involved in helping to set up this meeting is that you and Tova told me that the two of you did not have the resources to do it and that it would be better to have one central coordinator (i.e.; EAC). We have repeatedly talked about holding the meeting in DC because so many of our working group members are here and because we can support the meeting at EAC offices and stay within the EAC budget.

The date for the original Working Group meeting was presented by you and Tova to me in your work plan. As you know, many of the dates in the plan had to slide because the two of you indicated that you needed more time to complete the preliminary research to be presented at the meeting. Beginning in April, our teleconferences honed in on possible weeks for the meeting. May 18 is the only day all but Norcross could attend. Norcross was available only 2 days out of the three weeks we were considering. We are attempting to fill his slot with the person you recommended, Pat Rogers.

We can discuss any remaining concerns you have regarding the participation of Perez and of Pat Rogers during this afternoon's teleconference. --- Peggy

Hello Peg!

God willing, I will be here the first two weeks of May.

As for your second question, it is not possible for me to assess the level of public attribution that would be appropriate without seeing the substantive stuff in context. I do not foresee a problem. So, I recommend that you get me a draft text and I will review it to ensure we are not disclosing things we shouldn't disclose.

Craig:

I have 2 issues for you today.

First, I am trying to schedule a meeting of the project working group for EAC's Voting Fraud-Voter Intimidation research project. As a technical advisor on this project, your attendance is particularly important to me. Would you please look at your schedule and let me know if there are any days during the first 2 weeks of May that you would NOT be available?

Second, is it OK for our consultants to refer in their report to guidance provided in the DOJ training materials? I ask this because I understood that some materials in the materials are considered confidential and we do not want to violate your confidentiality provisions. If there is a compromise position, such as having you review that portion of the consultants' report, then let me know.

Thanks!

Peggy:

Please tell the folks there that I am not worried about a perceived breach of contract. This is a completely ridiculous statement considering the contractual requirement that the consultants convene

001088

the Working Group and not the Commission and it never specifies where or when this is to take place. All this to say that while the contract does specify a Working Group meeting it does not specify that it must take place on any particular date or in a particular city. With that said, I have never heard of any federal travel requirements that would result in a loss of money because I decided to drive and not fly. In fact, that is why there is a an amount paid per mile. So I would like to see the federal regulation that forces me to take the least expensive transport and restricts all other ground transport costs to that figure.

As to hotels, based on Tova's research there are no rooms for under the \$350 range per night. If you can find hotels that are less expensive but still carry the kind of bed I need for my back (either pillow top or a number bed) please do.

The issue of my uncle---today I have not had an update on his condition. But, as I previously stated, if he were to die or have an event while I was in DC, I would have to go to NYC meeting or no meeting.

Finally, neither Tova nor I have been satisfied about Mr. Perez and I have not been told whether Pat Rogers will be coming or one of Tova's people will not be.

In the end, I need to see the travel regulation that I requested above, I would like you to look into hotels for Tova and me that have the kind of bed I need and I would like to know about Perez and Rogers. In the mean time, I should have an update on my uncle by morning. I would also be happy to talk to Julie about the issues involved. I will take you up on your offer to process my travel expenses faster and I do not and never did expect you to get me a travel advance. I worked in international development and know what a headache those are to apply for on the state level.

Tova just sent me the summary you prepared of The Federal Crime of Election Fraud by Craig Donsanto. There is something wrong in the fourth paragraph (odd characters and missing text). Can you please send a replacement fourth paragraph? You can send it in an email and I will place it in the document. --- Peggy
